

## How you can help Child Legacy

### Grow their Water Well

### Repair/Refurbish Ministry

- Climb Kilimanjaro with me next summer and fundraise for clean water. Go to Malawi after the climb.
- Climb mountains in the U.S. and fundraise for clean water.
- Recruit others to join you whether you climb in Africa or America.
- Support the Clean Water Climb through a contribution to any of the individuals climbing Mt. Kilimanjaro to raise funds for the water well repair ministry.
- Support the Clean Water Climb by your organization making a corporate contribution of \$1000 or more.
- Use your gifts, talents, and passions to set up other fundraising events for clean water.
- Tell others about Child Legacy and the Clean Water Climb. Give them a Clean Water Climb Trip flyer.
- Join Facebook, grow a network of friends (including Mike), "Like" the Clean Water Climb Facebook page (see below), share with your friends on Facebook.
- Become a monthly financial partner.
- Sponsor the repair of a village's or schools broken water well for \$1250.
- Become an advocate for Child Legacy. Learn all about them, acquire the passion, spread the word.
- Help me with trip logistics.
