

2020 Clean Water Climb Kilimanjaro Climb Feedback Survey

Please take a few moments to complete the following survey about your experience with the Clean Water Climb and Child Legacy International. Your responses may be used for marketing purposes.

1. Please tell us your overall satisfaction with the Clean Water Climb experience.

2. How did the trip meet your expectations? How did it not?

3. Share your thoughts on Child Legacy’s work in Malawi, Africa.

4. How did you physically prepare for the climb? What would you do different?

5. Describe your fundraising activities in preparation for the trip. What worked best? What would you do different?

6. Please comment on the process, organization, and leadership of the trip.

7. Comment on the difficulty of the climb.

8. Describe the beauty of the mountain.

9. Describe your satisfaction with the tour company, Zara Tours.

10. Describe your experiences at the villages and schools in Malawi.

11. Describe your thoughts and feelings while assisting in the water well repairs.

12. Describe your experience sharing the Gospel with the people of Malawi.

13. Describe your most memorable experience from the trip.

Name: _____ Signature: _____

Thank you for your time. Please provide your name and permission (by signing the above) to use any/all comments you have provided. It is our hope that your feedback will encourage more climbers and donors, thus sharing clean water and the Gospel with many more people!
