

# The Mission Continues!

## 2021

Wow...what a start to the project to get clean liquid water and Living Water Jesus to the people of Malawi, Africa!!

Going to Nepal's Everest Basecamp November 2019 was a trip of a lifetime in God's majestic throne room of prolific peaks.. Thanks to our team leader Mike Navolio's planning, we had an outstanding time over almost 2 weeks trekking from Lukla Nepal to Everest Basecamp. It was a great privilege to be part of this... especially knowing that funds raised for 2019 was over \$300,000, funding over 200 wells affecting in the neighborhood of 400,000 people.

Because of covid, 2020 was basically cancelled for Clean Water Climbs trips but 2021 is another story!! I just committed to go to Machu Pichu Peru in April and then Malawi and Mt Kilimanjaro Africa in July. These will be a significant challenges for my 71st year! But I want to make my life count for my King in the biggest way I can! Again, we go paying all our own costs, and look for partners to fund 8 wells at \$1250 each or \$10,000. If you'd care to help with some of that I would be very grateful!
